Technical specifications

Our products are available in many different versions. The height, width and length can be customised. Materials can be varied and the number of colours that can be printed depends on the design. All these parameters, together with the size of the order, affect the choice of printing process as well as the price. Sounds complicated? Contact us and we'll help you find the best solution for your needs.

Product	Product type	Material	Printing process	Colours	Thickness	Height	Roll length	Max. motif length
Sticky	Sticky original	Uncoated paper with self-adhesive backing	Flexography	1–6	80 g	3,5–80 cm	25 m*	1100 mm
		Uncoated paper with self-adhesive backing	Digital printing	4	80 g	3–15 cm	25 m*	No restriction
